

## Juge Muir: A Living Legend

Cliff Rieders acted as prosecutor, and John Humphrey a witness, in the summary jury trial of the Honorable Malcolm Muir on the 14<sup>th</sup> of October 2004. The event was to honor Judge Muir upon the achievement of his 90<sup>th</sup> birthday on October 20, 2004. The mechanism of summary jury was chosen because Judge Muir has advanced the cause of that form of alternative dispute resolution during his tenure on the bench. Both Messrs. Rieders and Humphrey served as Law Clerks to the Honorable Malcolm Muir.
